New To Teladoc?

Teladoc is a national network of U.S. board-certified physicians and pediatricians that lets you resolve your routine medical issues, on-demand 24/7, via phone or online video consultations from wherever you happen to be.

It's healthcare on your terms – simple as that.

Things to Note

1. Dependents age 18 and older will need to register their own account
2. Fill out your medical history once you register so that the app or website is ready whenever you request a visit

1. Visit details

2. Billing information

3. Review & submit

Why don't I see all my dependents (or family members)?

Individuals 18 years of age and older need to create their own account in order to complete their medical history, enter personal information, and request visits with a provider.

Why don't I see all visit options all the time?

Not all of our visit types are available for children under the age of 18. You will see a list of available visit types based on the age of the member seeking care.

Request a Visit

If this is a **medical emergency**, please dial 911 or go to your nearest medical facility immediately.

*All fields are required unless otherwise noted.

Who is this visit for?

Prior to this visit, please ensure medical history is updated with the most current information.

Your medical history has not been filled out yet.

Please click here to fill it out now.
